

Nerve Block cart

The nerve block kits provide almost everything required, so this trolley is very simple – drawers 1 and 2 are identical, as our drawers 3 and 4. Drawer 5 has been removed as it's not required

Stock item	Storeroom code	Comments
------------	----------------	----------

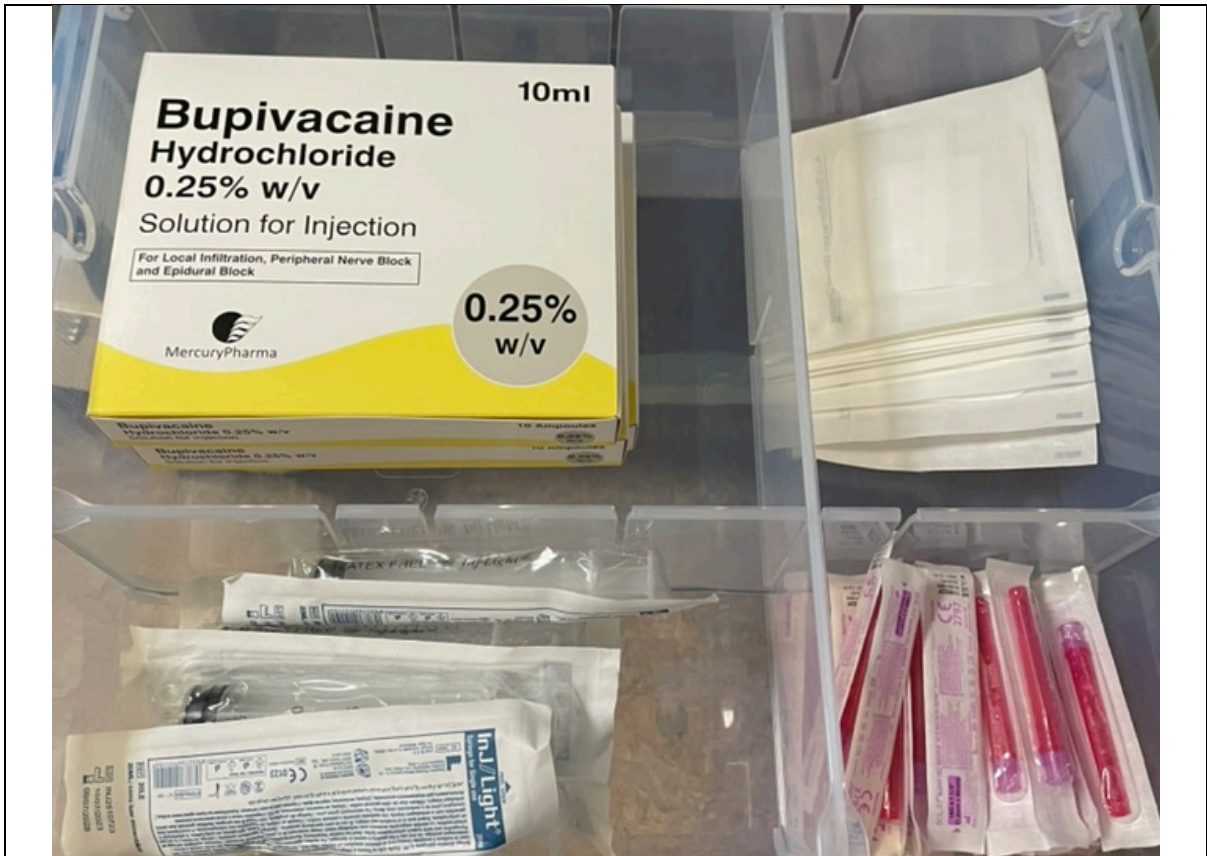

Drawers 1, 2

Nerve Block packs		These have everything required except: sterile gloves, local anaesthetic, Chlorhexidine, blunt-fill needles and dressings (all of which are provided in the lower drawers)
-------------------	--	--
